

iCare Family Care Partnership (HMO SNP) offered by Independent Care Health Plan

Annual Notice of Changes for 2018

You are currently enrolled as a member of *iCare Family Care Partnership*. Next year, there will be some changes to the plan's costs and benefits. *This booklet tells about the changes.*

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.

It's important to review your coverage now to make sure it will meet your needs next year.
Do the changes affect the services you use?

Look in Sections 2.1 and 2.4 for information about benefit and cost changes for our plan.

- Check the changes in the booklet to our prescription drug coverage to see if they affect you.

Will your drugs be covered?

Are your drugs in a different tier, with different cost sharing?

Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?

Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?

Review the 2018 Drug List and look in Section 2.5 for information about changes to our drug coverage.

- Check to see if your doctors and other providers will be in our network next year.

Are your doctors in our network?

What about the hospitals or other providers you use?

Look in Section 2.2 for information about our Provider Directory.

- Think about your overall health care costs.

How much will you spend out-of-pocket for the services and prescription drugs you use regularly?

How much will you spend on your premium and deductibles?

How do your total plan costs compare to other Medicare coverage options?

Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

Check coverage and costs of plans in your area.

Use the personalized search feature on the Medicare Plan Finder at <https://www.medicare.gov> website. Click “Find health & drug plans.”

Review the list in the back of your Medicare & You handbook.

Look in Section 5.2 to learn more about your choices.

Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. CHOOSE: Decide whether you want to change your plan

If you want to **keep** iCare Family Care Partnership, you don’t need to do anything. You will stay in iCare Family Care Partnership.

If you want to **change to a different plan** that may better meet your needs, you can switch plans at any time. Your new coverage will begin on the first day of the following month. Look in section 5.2, page 11 to learn more about your choices.

SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in iCare Family Care Partnership in 2018

If you do nothing to change your Medicare coverage in 2017, we will automatically enroll you in our **iCare Family Care Partnership**. This means starting January 1, 2018, you will continue getting your medical and prescription drug coverage through iCare Family Care Partnership. If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare and get your prescription drug coverage through a Prescription Drug Plan. If you are eligible for Low Income Subsidies, you can change plans at any time.

The information in this document tells you about the differences between your current benefits in iCare Family Care Partnership and the benefits you will have on January 1, 2018, as a member of iCare Family Care Partnership.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

Cost	2017 (this year)	2018 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$0	\$0

Section 2.2 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at www.icarehealthplan.org. You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2018 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **We strongly suggest that you review our current Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are still in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.

We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.

We will assist you in selecting a new qualified provider to continue managing your health care needs.

If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.

If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 2.3 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Provider Directory is located on our website at www.icarehealthplan.org. You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2018 Provider Directory to see which pharmacies are in our network.**

An updated Provider Directory is located on our website at www.icarehealthplan.org. You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **We strongly suggest that you review our current Provider Directory to see if your pharmacy is still in our network.**

Section 2.4 – Changes to Benefits and Costs for Medical Services

Please note that the *Annual Notice of Changes* only tells you about changes to your Medicare benefits and costs.

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4,

Benefits Chart (what is covered and what you pay), in your 2018 Evidence of Coverage. A copy of the Evidence of Coverage was included in this envelope.

Cost	2017 (this year)	2018 (next year)
Supplemental Dental Services	Supplemental Dental services under Medicare Part C for preventive and comprehensive dental services limited to a total of \$950 per calendar year.	Supplemental Dental services under Medicare Part C for preventive and comprehensive dental services limited to a total of \$2,500 per calendar year.

Section 2.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” An updated Drug List is located on our website. **You can get the *complete Drug List*** by calling Customer Service (see the back cover) or visiting our website (www.icarehealthplan.org).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug.

To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Customer Service.

Work with your doctor (or prescriber) to find a different drug that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask

the plan to make an exception for you and cover your current drug. Current formulary exceptions will not be carried over into the next year. Please contact your Team to request an exception for 2017.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs does not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. Because you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 9.1 of this booklet.

SECTION 3 Changes to your Medicaid Benefits

There will be no changes to your Medicaid benefit in 2018. Please refer to Chapter 4, Section 2.1 of your Evidence of Coverage for a list of your covered Medicaid benefits.

SECTION 4 Deciding Which Plan to Choose

Section 4.1 – If you want to stay in iCare Family Care Partnership

To stay in our plan you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2018.

Section 4.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

Step 1: Learn about and compare your choices

You can join a different Medicare health plan at any time,
-- *OR*-- You can change to Original Medicare at any time.

Your new coverage will begin on the first day of the following month. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Independent Care Health Plan offers other Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from iCare Family Care Partnership.

To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from iCare Family Care Partnership.

To **change to Original Medicare without a prescription drug plan**, you must either:

Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 8.1 of this booklet).

– *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

You must also contact your local Aging and Disability Resource Center (ADRC). Please see Chapter 2, Section 10 in the enclosed Evidence of Coverage for the telephone numbers of the ADRCs. You can also use the following link to find an ADRC in your area: <https://www.dhs.wisconsin.gov/adrc/consumer/index.htm>.

SECTION 5 Deadline for Changing Plans

Because you are eligible for both Medicare and Medicaid you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 6 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Wisconsin, the SHIP is called the Wisconsin State Health Insurance Assistance Program.

The Wisconsin State Health Insurance Assistance Program is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Wisconsin State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call the Wisconsin State Health Insurance Assistance Program at 1-800-242-1060. You can learn more about the Wisconsin State Health Insurance Assistance Program by visiting their website

(<https://www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm>).

SECTION 7 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

“Extra Help” from Medicare. Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:

1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or

Your State Medicaid Office (applications).
